DETAILED ACTION

Allowable Subject Matter

Claims 1-2,5,8 and 10-11 are allowed. Upon further consideration, claim 1 is a generic claim. Therefore, the previous election requirement has been withdrawn and claims 4 and 6-7 are now rejoined. Claims 1-2,5-8 and 10-11 are now allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record either taken singularly or in combination fails to disclose the invention as claimed. Reference to Hirano et al' 923 is the closest prior art. However, the prior art does not disclose that the reservoir is fixed to a header pipe of a radiator or the larger header pipe of the larger heat exchanger by a bracket extends toward the other heat exchanger or condenser.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
